It is pointed out by the Des Moines Register that among the causes mentioned for slow business and "disappointment visible in many markets," Bradstreet's places in first place "poor roads."

The people of Logan county are given cordial invitation to the spring sales days in Guthrie, beginning Thursday. It is a proposition of saving money by annexing bargains while renewing acquaintances.

## KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets.

The secret of keeping young is to feel young—to do this you must keep your liver and bowels—there's no good of having a shallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle.

Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action, yet always effective.

They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone by toning up the liver and clearing the system of impurities.

You will know Dr. Edwards' Olive Tablets by their olive color, 50c and 25c per box. All druggists.

Keep up the agitation for better roads. Good roads will be the salvation of Logan county. Enhanced property values to the farmer, more trade for the merchant, better schools, more churches and a greater prosperity follow good roads. Get the roads first—the rest will come as a natural sequence.

The story of the banishment of the German Crown Prince sounds like one of the many news fakes that have come out of the war region. More likely is the report of a distinguished traveler, a neutral, throughout Germany who writes to the London Times a page account of conditions as he found them, on the whole an account favorable to Germany, and who found that after Hindenburg the Crown Prince is everywhere the most popular man in the Empire today. This was confirmed by the fact that Germans in all parts of the Empire have trimmed off their up-pointed mustaches and are wearing them toothbrush style, in imitation of the Crown Prince. The Kaiser, says this observer, is preceded in popularity by at least four other men, and by one woman—the Crown Princess. His decline in popularity is due to the war. The same observer reported Berlin gaily lit and laughing at London's darkness, conditions not disturbed generally in German cities, and no danger whatever of German starvation.

## SPRING SALES DAYS.

The merchants and business men of Guthrie have shown commendable spirit in a get-together movement looking to a series of special bargain sales, designed especially for Logan county and the counties adjoining. In honor of the event all the business houses of Guthrie have added new and fresh stocks of goods, together with prices that can not fail to be attractive. Those houses handling wearing apparel have countered the very last word in spring styles. This should be an added incentive to the shopper, for he it known that Guthrie mercantile houses have for many years set the pace in the matter of reasonable goods.

Every line of business will be represented in the bargain sales of this week. The occasion will be very much on the order of a "home coming." And everybody should prepare to make glad and merry.

(By Associated Press.)

## How the Merchants of Guthrie Refund Your Fare

The people residing in the towns within trading distance of Guthrie will have an opportunity to visit the spring fashion opening, style show and bargain carnival in Guthrie, March 24, 25, 26 and 27 at no expense for railway fare and at the same time have an opportunity of saving money by taking advantage of the many bargains offered in all lines of goods.

The leading merchants of the city through the fare refund bureau of the Chamber of Commerce will refund the railway fares of all out of town buyers on the basis of five per cent of all purchases up to the amount of the fare. Purchasers should secure a fare refund slip to cover the amount of their purchase at each place and take the same to the Chamber of Commerce and secure the refund in cash.

This refund is made not only on this occasion and during other special sales but all the year round. You can come to Guthrie any day in the year, have large stocks of goods to select from, save money on every purchase and get your fare refunded through the refund bureau.

This system has been in operation for several years but the people are learning more of it during the past year and the amount of refunds paid each month is steadily increasing which is the most convincing evidence that Guthrie merchants not only have

the goods but make prices that please and attract trade from long distances.

## CAPITAL LAWYERS FAILED TO COLLECT

Special to The Daily Leader.  
Oklahoma City, March 22.—By practically a unanimous vote the house refused to sanction payment of claims of attorneys in the capital removal case. These bills came from the litigation between Oklahoma City and Guthrie, in 1910 and 1911, and the state has been asked several times to pay the attorneys for Oklahoma City. On motion of Durant the accounts were killed. The bills are:

W. A. Ledbetter, \$4,380.  
C. B. Stuart, \$300.  
Fulton & Pittman, \$1,500.  
B. F. Burwell, \$3,375.

## CALOMEL IS MERCURY! IT SICKENS! ACTS ON LIVER LIKE DYNAMITE

## "Dodson's Liver Tone" Starts Your Liver Better Than Calomel and Doesn't Salivate or Make You Sick.

Listen to me! Take no more sickening, salivating, purging, griping, constipating. Don't lose a day's work! Calomel is mercury, of quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with your bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just take a spoonful of harmless Dodson's Liver Tone in my guarantee.

Here's my guarantee—Go to any drug store and get a 50-cent bottle of Dodson's Liver Tone. Take a spoonful tonight and if it doesn't straighten you right up and make you feel fine and vigorous by morning I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine, entirely vegetable, therefore it can not salivate or make you sick. I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.

## Get it While It's Cheap

Many people live uncomfortably because they can not afford to do different. Many others are in the same fix because no matter how much they are able to pay, the comforts they desire are not within their reach.

This however, is not the case with electric light—the greatest of all comforts. The electric wires pass by your very door and Edison Mazda Lamps provide the most beautiful light obtainable at one-third what it cost even only two or three years ago.

So if you are not enjoying the beautiful electric service—like your friends and neighbors—whose fault is it?

During the month of March only we will give a six pound Electric Iron with each house wired.

A half hour's talk with our house wiring man will prove interesting and profitable.
